**NOTE:** PISJubail is on its journey of educational excellence, unfortunately we have no authorized uniform seller in Jubail, which makes it a bit tricky for us and the parents to arrange for a school uniform. We are working on a specific uniform provider and will publish all details on our school website. Hope these guidelines are sufficient for us to begin our journey for the next academic year. First month of the school will be readiness-duration for parents to arrange necessary details to get a desired school uniform. **Playgroup has no school uniform.**
